2026/1156 - Sexual offence arrests and charges by nationality

In response to your recent request for information regarding;

Please provide the following for each financial year 2024-25 (1 April 2024 to 31 March 2025) and 2025-26 (1 April 2025 to 31 March 2026):

1. The number of arrests for sexual offences, broken down by the nationality of the person arrested as recorded in custody. By sexual offences I mean rape and other sexual offences as defined in the Home Office crime classifications, including online offences. Please include British nationals and a separate line for "nationality not recorded".

2. Of the arrests in question 1, the number that resulted in a charge (or postal requisition), broken down by nationality in the same way.

3. If possible, questions 1 and 2 split into (a) rape and (b) other sexual offences.

I am asking only for numbers, not for any information about individuals or cases. If any figure is small enough to risk identifying someone, please show it as "fewer than 5" rather than withholding the answer.

If answering everything would exceed the cost limit, please answer question 1 first, then question 2, and give me advice and assistance under section 16 on how to narrow the rest. Spreadsheet format would be ideal.
