2024/076 - Local Policing and Crime

In response to your recent request for information regarding;

I am interested in the unit of organisation commonly referred to as Local Policing Areas, Divisions, Districts or Basic Command Units. They are typically aligned to local authority or community safety partnership boundaries.

For each of these areas within your force, I would like to know:

- the name of the area, any corresponding ONS geographical code (these are typically a 9-digit string comprising the letter E followed by 8 numerical characters), and any short string code used by the force as shorthand to represent the geography.

Please find the attached spread sheet

- the first and last name and rank of the current senior officer responsible (often known as the 'local commander' or similar) for the policing of that area, the date they were appointed, and an email address for the individual or position.

The Current Area Superintendents who manage the divisions of Local Policing Eastern, Local Policing Central, and Local Policing Western are below.

- Eastern Area – Superintendent Jon Bowcott since 01/08/23
jonathan.bowcott@northwales.police.uk
- Central Area - Superintendent Owain Llewellyn since 27/09/21
owain.llewellyn@northwales.police.uk
- Western Area – Superintendent Llinos Davies since 09/01/23
llinos.davies@northwales.police.uk

- the first and last name and rank of the the last two senior officers in that post, and the dates they were in the roles

- Eastern Area – Superintendent Nick Evans 30/11/20-31/07/23
- Eastern Area – Superintendent 18/12/17-29/11/20
- Central Area – Superintendent Simon Williams 30/11/20-26/09/21
- Central Area – Superintendent Jason Devonport 06/05/19-29/11/20
- Western Area – Superintendent 23/06/20-08/01/23
- Western Area – Superintendent 01/08/18-22/06/20

Three officers have since retired and now private citizens, disclosure of their names would be a breach of the Data Protection Act and therefore exempt under Section 40 (2) of the Freedom of Information Act.

In accordance with the Freedom of Information Act 2000, this letter acts as a Refusal Notice under section 17 (1) of the legislation.

- if no ONS code is provided: a description of the geographic extent of the area and the boundaries to which it is aligned (this might be one or more local authorities, or community safety partnerships, or similar)

Not applicable

Further, for each of the above areas a list of the smaller geographic areas that your force uses to organise and deliver local policing (these might commonly be called 'neighbourhoods' and will typically either be an individual ward or a collection of wards), including:

- the name of the area, any corresponding ONS geographical code, any short string code used by the force as shorthand to represent the geography**
- if no ONS code is provided: a description of the geographic extent of the area and the boundaries to which it is aligned (this might be an individual ward or a collection of wards).**

Please see the attached spreadsheet
