2026/1183 - Monthly Burglary Statistics (2021–2025)

In response to your recent request for information excess cost is relevant to part which removes the forces obligations under the Freedom of Information Act, as a gesture of goodwill, I have supplied information, relative to your request, retrieved or available before it was realised that the fees limit would be exceeded. I trust this is helpful, but it does not affect our legal right to rely on the fees regulations for the remainder of your request.

Please provide the following information for each calendar year from 2021 to 2025, inclusive.

1. Monthly burglary figures

The total number of recorded burglary offences for each calendar month between 1 January 2021 and 31 December 2025, broken down by year and month.

2. Type of burglary

Where available, please break these figures down into:

- **Residential / dwelling burglaries**
- **Non-residential / non-dwelling burglaries**

3. Regional breakdown

Where available, please provide a geographical breakdown of recorded burglaries by local authority, borough or equivalent area. If this information is not available, please provide the closest geographical breakdown held by your force, such as postcode area.

4. Value of stolen property

Where recorded, please provide the total estimated value of property stolen in recorded burglary offences for each calendar month between 1 January 2021 and 31 December 2025.

Property

Our information is set up and searchable for our policing purposes. All property records are linked to burglary occurrences e.g. "seized" to see if they were also stolen property. I have provided you with those items with General Property Classification as Stolen. This may not be a definitive list, however without checking each item manually we can not be sure it was stolen/why is was recorded. The cost of providing you with the information is above the amount to which we are legally required to respond i.e. the cost of retrieving the information exceeds the 'appropriate level' as stated in the Freedom of Information (FOI) Fees and Appropriate Limit regulations 2004.

Therefore, in accordance with the FOI Act 2000 the information you have requested is exempt under Section 12 (1), and this letter acts as a Refusal Notice under section 17 (5) of the legislation.
