2026/1189 - Homicide

In response to your recent request for information regarding;

Please provide the following for each homicide offence recorded by your force from 1 January 2020 to the most recent date available:

1. the Home Office offence code;
2. the date the offence was committed;
3. the time the offence was committed, to the hour and minute;
4. the address where the offence was committed;
5. the Lower Layer Super Output Area (LSOA, 2021 boundaries) code for that address.

By homicide we mean the Home Office counting rules offences of murder (code 1), manslaughter (code 4.1) and infanticide (code 4.2).

We do not want, and please do not include, the names of or any other information about victims or suspects, or any case details.

If you consider that this level of detail could identify an individual, please provide the following instead, in order of preference:

1. each offence by date, hour and postcode sector;
2. the number of offences by LSOA and month;
3. the number of offences by LSOA and year;
4. the number of offences by Middle Layer Super Output Area (MSOA) and month;
5. the number of offences by MSOA and year.

For the counts, please use the month the offence was recorded and the area where it was committed. A neighbourhood and month with no homicide may be left out.
