2026/1195 - Jewellery thefts and burglaries (2023–2026)

In response to your recent request for information regarding;

Please provide the following information for each calendar year from 1 January 2023 to the latest date for which records are available.

1. Jewellery thefts and burglaries

- The total number of recorded offences involving the theft of jewellery
- Of these, the number involving burglaries of residential properties.
- The number involving burglaries of commercial premises, including jewellery shops.

2. Value of stolen jewellery

- The total estimated value of jewellery reported stolen each year.
- The highest estimated value of jewellery stolen in a single recorded incident each year.

3. Types of jewellery stolen

Where recorded, please provide a breakdown of the types of jewellery stolen, including:

- Rings, including engagement and wedding rings.
- Watches.
- Necklaces and chains.
- Bracelets.
- Earrings.
- Other jewellery.

If jewellery theft is not recorded as a standalone offence category, I would be grateful if you could provide figures based on searchable property descriptions or stolen-property records, where available.
