2026/1050 - Suspected suicide

In response to your recent request for information regarding;

For each of the calendar years 2020, 2021, 2022, 2023 and 2024:
The number of people who died by suspected suicide and who had previously been recorded by your force as a victim of domestic abuse, broken down by year and by sex. This applies whether or not the death went on to a Domestic Homicide Review.
A brief explanation of how the figures in question 1 are identified. For example, whether the person was linked as a victim at any time or within a set period before death, and whether the death itself was flagged as domestic abuse related.
Whether your force holds a count of domestic abuse flagged deaths outside the Domestic Homicide Review process, such as unexplained deaths. If it does, please give that count by year and by sex.
