2026/1115 - Use of funeral directors

In response to your recent request for information regarding;

How the use of funeral directors are used in Coroner's cases ? Especially for Gwynedd county

If I could receive any existing logs , the method of selecting criteria , etc

Rotational undertakers are not selected by North Wales Police.The selection and the management of the funeral director for coronial purposes is done so by the lead local authority for the coronial jurisdiction. When they have approved the appointment of an undertaker for the rota the details are passed to North Wales Police to be added to the system but the Force has nothing to do with the initial selection.
For the West it will be Gwynedd Council and for the East and Centre it is Denbighshire CC. you may wish to direct you request to the councils;
