2026/980 - Settlement payments

In response to your recent request for information regarding;

I am making a FOI request for the value and number of settlements made by your force to members of the public for civil claims.

I would like totals for civil claims for malfeasance, public liability, and traffic cases, broken down by each case type. But if you can only provide MAL that is fine.

I would like information on the total value (£) of settlements paid to claimants in civil cases, and the number of settlements

I would like these broken down by:
a. Financial year, from the FY ending 2020 to 2026 inclusive
a. Month, since Jan 2020 to now (or as recent information as you have)

So, for each time period, in a) and b), I would have:

• Number and value of malfeasance settlements

• Number and value of public liability settlements

• Number and liability of traffic case settlements

I wanted to re-word the request for absolute clarity - and consistency across requests. Please treat this either as a clarification or as a fresh request superseding the previous one, but hopefully laying it out at once is more helpful to you.

Please could you tell me, since the start of 2020:
• The value of settlement payments paid to claimants in civil cases
• The total number of these compensation payments
I would like these broken down by category of claim - however you record categories and hold the data is fine, though an explanation of what fits into each category would also be appreciated. (NB: This is where the request differs from the original request)

I would like these broken down by:
• Financial year, from the FYs ending 2020 to 2026 inclusive
• Month, since Jan 2020 to now (or as recent information as you have)

If month is not possible within the constraints of the act, just financial year data would be fine.

To be clear, I would like data on each category for each time period - not overall claims broken down separately by time and category. So, for example, for January 2020, or FY 19/20, I would have data on the value of payments for each category, and the total number of payments for each category.

Total number of malfeasance and public liability claims received by the Legal Department as follows:-
