2024/454 - Rural crime

In response to your recent request for information regarding;

1. Total number of full-time police officers employed by your force, and the number of civilians within your police area

1674 Full Time Officers

For civilians within the police force area please refer to the Census:

[Census - Office for National Statistics \(ons.gov.uk\)](https://ons.gov.uk)

**2. a) Whether you have a unit dedicated to rural crime. Yes
b) If so, please outline how many members of staff are in this unit**

North Wales Police have a dedicated team with 1 Sgt, 8 PC's and 2 PCSO's. 1 of the PC's is a 50% seconded officer to Natural Resources Wales (NRW).

11.00 FTE – pay costs including basic pay, employers pension and national insurance contribution £635,155.00. We do receive income for part of 1 x PC post.

With regards to non-staff budget we do not devolve budgets to that level.

and how much funding it receives as part of your overall budget.

North Wales Police do not hold a figure of how much Rural Crime receives as part of the overall budget.

c) Do you have a policy to determine the apportionment of budget between Rural / Urban – if so please provide

No.

3. **Please complete the following equipment table:** information is in relation to RCT and actual item numbers, we do not hold this as a percentage:

Your force's current inventory of the following items:	Current Inventory	% of inventory allocated principally to Rural Crime
High-power torches		11- Every officer have a personal issue torch and we have a number of LEDLENSER and Dragon Lamps which act as high power touches.
Microchip scanners		3
Thermal spotters		0
Dedicated Rural Drone surveillance kits		North Wales Police have a dedicated drone unit which any department including Rural Crime Team can call upon at any time
Mobile ANPR Camera		Zero, but RCT have access to force vehicles with ANPR capability.
4x4 vehicles (Quad, SUV etc)		6 Ford Kuga's. 1 4x4 pickup that belongs to NRW for the seconded Officer to use.

4. **Number of reported cases in your police area over the past twelve months of the following crime categories (if you do not categorise in the same way please share details of the most appropriate data subset):**

5. What training is available to staff on rural crime – please complete the following table

RCT officers receive dedicated specialist training in the form of modules provided by the National Wildlife Crime Unit and the National Rural Crime Unit. Once the officer has completed the modules they are certified to investigate and prosecute the specialist offence mentioned below. The training is ongoing with new or updated topics provided. The certified officer will then cascade the training in the form of inputs and presentation to our call handlers to ensure they provide the best possible service to the public and community.

	Is training available to call handlers and police staff on the following crime categories	If available -how often is the training updated
Flytipping		
Sheep rustling		
Hare coursing		
Poaching		
Machinery / GPS theft		
Livestock worrying		
Heritage Crime		
Raptor Persecution		
Unauthorised Encampments		

6. Number of full-time police officers employed exclusively to tackle crime within your police area, who have never been, and will never be, re-deployed to support urban issues as needed. If the answer is zero, I will assume you have no regulations or policies in place to stop force members being drawn into urban issues.

No information held.

A) Is there a universal tag for the crimes listed in question 4, and if so; B) is your force able to access data sets to compare these crimes with other police areas.

There are national qualifiers (tags) within the crime recoding system. Forces throughout the country use various crime recoding systems, they are not all the same.

7.) For 999 calls where a police officer(s) were deployed from your force, what was the average time from the call being received in your control room, to the officer(s) reaching their deployment destination for calls graded "Immediate" in the past year – a) in the whole force area and b) specifically within rural areas within your force parameter.

A) In the last year how many 999 calls relating to the categories in Question 4; a) did and b) did not receive an in person response. B) How many 999 calls of all types in total A) did and B) did not receive and in person response
