2025/725 - Video footage offences

In response to your recent request for information regarding;

- 1. Have you set up Operation Snap – or a similar scheme - in your constabulary, where people can send you video footage of drivers committing alleged misdemeanours?**
Yes, we have Operation Snap in North Wales.
- 2. How many items of footage have been submitted and received by your constabulary between January 2022 and May 2025? Please provide a monthly breakdown if available. If a monthly breakdown is not available, could you provide it by calendar or financial year? Please note my preference, if you cannot provide monthly figures, would be calendar years for 2022, 2023 and 2024.**
