2025/752 – Parcel Theft

In response to your recent request for information regarding;

Q1 How many instances of parcel theft (i.e. parcels stolen from somebody's doorstep, or other cases where thieves steal a package, for example by impersonating a delivery person or homeowner) were reported between 01/08/2024 and 31/07/2025?

Q2 If possible, please can you provide a monthly break down of the number of reported instances of parcel theft (i.e. parcels stolen from somebody's doorstep, or other cases where thieves steal a package, for example by impersonating a delivery person or homeowner) within the date range provided in question one. Or, if this is not possible, any data that would make it possible to calculate this?

Q3 If possible, please can you share either the total reported value of stolen parcels for the date ranges provided in question one or, if this is not possible, any data that would make it possible to calculate this?

Q4 If possible, please can you share the most common time of day when parcels were stolen (using the date ranges provided in question one) in the following format, or, if not possible, any data that would make it possible to calculate this?

- A - 09.01 - 17.00
- B - 17.01 - 22.00
- C - 22.01 - 09.00

Q5 If possible, please can you share the most common age of the people reporting theft (for the date ranges provided in question one) in the following format, or any data that would make it possible to calculate this?

- A - 21 and under
- B - 22-34

Q6 If possible, please can you estimate how long (hours per month) in total that the force spent on any work relating to reported theft of parcels?

- Q7 If possible, please can you share the number of reports you received split by type of dwelling/address where the reported incident took place?**
- Detached house or bungalow
 - Semi-detached or terraced house
 - Apartment/flat
 - Office/business
 - Any other

Search Criteria - Included are occurrences reported between 01/08/2024 - 31/07/2025.

We have included HO code 042/00 (Theft of mailbag or postal packet) and Theft from the person, Other Theft and Burglary residential occurrences with keyword search of Occurrence Summary for "parcel" or "package" or "delivery".

Property value is not routinely recorded and we do not carry out activity based costing therefore we are unable to provide the time spent on these cases by officers.
