2025/767 - Vehicle Crime Data

In response to your recent request for information regarding;

2. Theft from Motor Vehicles – Wheels & Tyres Please provide the following for each year between 2019 and 2024:

- a) The number of “theft from a motor vehicle” offences where wheels and/or tyres were reported stolen. This includes full wheel assemblies, individual tyres, or alloy wheels.**
- b) If available, a monthly breakdown of these offences.**
- c) If held, provide details of the most commonly stolen parts/items reported in “theft from motor vehicle” offences (e.g., tyres, wheels, catalytic converters, etc.).**

If wheel or tyre thefts are not separately coded, please advise whether keyword search of MO/descriptive fields is possible, or provide the nearest equivalent data.

If your force uses different offence codes or terminology, please respond using the closest equivalent data available.

If fulfilling the full request would exceed the cost/time limit under Section 12, please prioritise:

- Number of tyre/wheel thefts

The table below includes Theft from Vehicle Occurrences + General Property Classification matches "Stolen" OR Vehicle Classification matches "Theft from" + Keyword search of Occurrence Summary matching "Wheel" OR "Tyre" OR "Alloy"
