2026/1137 - Electricity & Gas Procurement

In response to your recent request for information regarding;

1. Current Energy Suppliers

- **The names of your current electricity and gas suppliers.**

Electricity = DRAX
Gas = Total Energies
LPG = Flogas

- **Whether the supplies are procured centrally or managed individually by each site.**

– Procured centrally

2. Contract Information

- **The commencement date of each current supply agreement.**

Electricity and gas – contract 01.10.2022 to 30.09.2026; contract renewed covering 01.10.2026 to 31.03.2028: LPG is continuous.

- **The contractual expiry date of each agreement.** (see above)
- **Any available extension options.** (see above)
- **Whether the contracts operate on fixed-price, flexible purchasing, pass-through or another pricing structure.**

– purchase in advance (electric and gas); LPG on delivery requirement basis.

3. Energy Consumption

- **The recorded annual electricity consumption (kWh) for the most recent complete 12-month period available.**

2025-26 financial year = 5,849,470 kWh

- **The recorded annual gas consumption (kWh) for the same period.**

2025-26 financial year = gas = 7,931,008; LPG = 229,113 kWh

- **Where held, a breakdown of consumption by individual site, building or supply meter.**

See attached spreadsheets for invoiced electricity and invoiced gas & LPG

4. Energy Expenditure

- **Total electricity expenditure for the most recent complete financial year.**

2025-26 financial year =£1,560,428

- **Total gas expenditure for the same period.**

2025-26 financial year = gas = £459,293; LPG = £13,368

- **Where held, the expenditure broken down by site or supply point.**

See attached spreadsheets for invoiced electricity and invoiced gas & LPG

5. Procurement Arrangements

- **Whether electricity and gas are procured directly, through a public-sector framework or through an external energy consultant/broker.**

– Electricity and gas are via the Gwynedd Council Dynamic Purchasing System/framework with Equity Energies. LPG is direct with Flogas.

- **The name of the procurement framework or external intermediary currently used, where applicable.** (see above)
- **The most recently recorded date or anticipated timetable for the next energy supply procurement exercise.**

North Wales Police have joined the BlueLight Commercial/Crown Commercial Services framework from 01.04.2028 onwards.

- **The title or department responsible for overseeing energy procurement.**

Managed via the Facilities Management Department.

6. Supply Point Information
Where held and disclosable, please provide a schedule of electricity MPANs and gas MPRNs associated with the supply arrangements, alongside the relevant site name or address.
If any specific information is considered exempt from disclosure, I would appreciate the remaining information being provided, together with an explanation of the exemption or exception relied upon.

Concerns have been raised in relation to disclosing MPAN and MPRN information, as this information identifies incoming supply points to Police buildings.

Therefore, a public Interest Test has been carried out to weigh up the reasons for and against disclosure; to ensure the release is in the interest of the public as a whole and not just the applicant.

Section 31 (1) Law Enforcement

Therefore, Section 31 (1) Law Enforcement is to be considered as part of the Public Interest Test. A Public Interest Test has been carried out to weigh up the reasons for and against disclosure of the information requested, to ensure the release is in the interest of the public as a whole and not just the applicant.

<u>Evidence of Harm</u>

Disclosure under FOIA is disclosure to the world at large, not a private transaction. Whilst not questioning the motives of the applicant, releasing the requested information would reveal the departments that are located in the basement and the use of the area, all of which are integral to

the operations of North Wales Police. Whilst not questioning the motives of the applicant, we have to accept the current threat landscape and threat to Policing.
We have concerns about disclosing MPAN and MPRN information, as this information identifies incoming supply points to Police buildings this information would be of intelligence value to individuals or groups with criminal or malicious intent. This will make our building more susceptible to crime and this information could be used to disrupt areas of policing.

As such, the disclosure of information which would hinder the forces law enforcement functions cannot be in the public interest.

Public Interest Test

Section 31 - Factors favouring disclosure

Disclosure would promote transparency and accountability regarding the use of our buildings. It would also encourage public debate about whether public funds are being used responsibly.

Section 31 - Factors favouring non-disclosure

There is a significant public interest in maintaining the force's ability to prevent and detect offences. Any information which would undermine that strategy would not be in the public interest to disclose.

Releasing all the details requested relating to the departments and uses of areas within our HQ, all of which are integral to the operations of North Wales Police, would provide criminals with a tactical advantage and making our building more vulnerable.
The data could be used to cause disruption or undermine law enforcement effectiveness and negatively impact public safety.

Balance Test

Whilst the force recognises the public interest in transparency and accountability, greater weight is attached to the strong public interest in preserving the effectiveness of law enforcement activity, any disruption to our operations would be detrimental to the public we serve.

Therefore, in accordance with the Freedom of Information Act 2000, this letter acts as a Refusal Notice under section 17 (1) of the legislation.

THIS INFORMATION HAS BEEN PROVIDED IN RESPONSE TO A REQUEST
UNDER THE FREEDOM OF INFORMATION ACT 2000, AND IS CORRECT AS AT 30/10/2026

= amended due to credit note and re-invoice = missing invoice = under query
