2026/1199 - MAPPA management of sex offenders – Police

In response to your recent request for information regarding;

1. On 30 September 2026:
(a) the total number of registered sex offenders managed by the force;
1,119

(b) how many of them were assessed as very high, high, medium and low risk:

Risk Level	Number of RSO's
Very High	3
High	208
Medium	270
Low	512
New – awaiting assessment	26

(c) how many were subject to reactive management (that is, with no scheduled home visits):
132

(d) how many were overdue a home visit under the visit frequency set for their risk level, and the longest period by which any visit was overdue:
41. The longest period by which a visit was overdue was 3 months. Attempts had been made to complete the visit.
Please note that most of the visits that were on the overdue list as of 30/09/26 have now been completed and are no longer overdue.

(e) the number of full-time-equivalent police officers and police staff employed as offender managers in the unit responsible for managing registered sex offenders:
20

2. The figures requested at 1(a) and 1(c) as at 30 September 2023, 2024 and 2025:

Year	**Total number of RSO's managed by the force**	**Total number subject to reactive management**
September 2025	1098	114
September 2024	1093	Information not held
September 2023	1048	Information not held

Please note that we did not start to hold reactive management data separately to the other risk level data until 2025 hence why we don't have the data for 2024 and 2023.

3. In each calendar year from 2022 to 2026 (to the date of this request):
(a) the number of polygraph examinations carried out on registered sex offenders;
(b) the number of examinations in which the subject was recorded as deceptive or made a relevant disclosure;
(c) the number of examinations that led to an arrest, a recall to custody or an application for a Sexual Harm Prevention Order or a variation of one.
North Wales Police currently don't have the ability to conduct a polygraph test.

THIS INFORMATION HAS BEEN PROVIDED IN RESPONSE TO A REQUEST UNDER THE FREEDOM OF INFORMATION ACT 2000, AND IS CORRECT AS AT 17/11/2026
