2026/1210 - Community Funding benefiting Pwllheli and surrounding areas

In response to your recent request for information regarding;

For the financial years 2022/23, 2023/24, 2024/25 and 2025/26 and latest please provide details of all community funding, grants, awards, donations or other financial assistance held by your organisation where the funded activity was:
• based in Pwllheli;
• delivered wholly or partly in Pwllheli; or
• intended to benefit residents, communities, organisations or service users in Pwllheli, Pen Llŷn/Llŷn Peninsula or the immediately surrounding area, even where the recipient organisation itself is based elsewhere.
For each award, where held, please provide:
1. the recipient organisation, group or project;
2. the amount awarded;
3. the amount actually paid, where different;
4. the date of the award;
5. the funding scheme, programme or funding stream;
6. a brief description of the project or purpose funded;
7. the geographical area or communities the funded activity was intended to benefit;
8. the decision-making body, panel or officer responsible for approval.
For clarity, I am seeking information across all relevant community funding streams, rather than only awards formally described as grants. Please include, where held, funding administered through or associated with PACT, Police Property Act funding, participatory/community budget schemes, crime-prevention/community-safety funding, youth/community initiatives, and other relevant funding administered, commissioned or financially supported by your organisation.
If an existing spreadsheet, grant register or awards schedule contains some or all of this information, I would be happy to receive that in its existing format rather than requiring new information to be created.

The finance system is not configured in such a way that it allows the identification of grant funding activity which is wholly or partly delivered for Pwllheli. Grant data is held at subjective income code level and not broken down by location.

We are ablew to provide data in relation to PACT;

As a registered charity, PACT does not fall within Freedom of Information requests with all financial information and grants issued is published annually through our annual report and accounts to the charity commission. These are also available to view on our website. Annual Reports - North Wales Police and Community Trust

Please be aware that PACT and Crimebeat have a variety of income streams, such as PPAF, POCA, Sponsorships and donations.

Based on the information from the annual report and accounts, a list has been compiled for the time periods requested for the grants given to Pwllheli and surrounding areas.
This list doesn't include community groups/organisations that have received PACT funding for projects that are delivered across all of North Wales, such as DASU / Dangerpoint.

I have also included in 2022/23 our Justice in a Day project, which supported 2 high schools within the specified area to attend the educational workshop. You can also find details of this project in the annual report and accounts.

Justice in a Day		Ysgol Botwnnog / Ysgol Glan y Mor	Justice in a Day
