Although the location has been logged on our system as a particular school, it does not mean that every incident relates to that school. The information provided includes incidents reported at or in the vicinity of school premises, both during and outside school hours and will include crimes reported about members of the public who are in no way connected with the school. It includes incidents where it may be found after investigation that there was

actually no crime committed. The classification afforded by North Wales Police is in accordance with the Home Office Counting Rules, and consequently incidents may not actually be as serious as the classification title may suggest. It is therefore not a true reflection of the school, the pupils or the staff. Consequently, this data is not suitable to be used in the formulation of league tables as the data in the format provided is not necessarily comparable.
